### BACKGROUND INFORMATION

The rivers of Australia help to irrigate the vineyards. Although water is important; the drier the river the better the concentration of flavours in our wines. We are working in close partnership with a family owned winery, which pride themselves on producing consistent and good quality wines. After harvest our wine buyer travelled to Australia to specially select these wines for this range.

### TASTING NOTE

Pale lemon in colour, Dry River Pinot Grigio displays a powerful bouquet of citrus blossom, lime and grapefruit aromas. On the palate, classic Pinot Grigio flavours of green apple, pear and tropical fruits helping to give balance to the wine's crisp, crunchy acidity prior to a surprisingly long finish untypical of this grape variety.
