BACKGROUND INFORMATION

Home to thousands of acres of premium vineyards, the California wine region is renowned for making excellent wines due to its unique micro climate. Located in the Central Valley Delta this area produces ripe grapes which also benefits from cool ocean breezes that help retain fresh fruit aromas and structure. This range consists of bespoke wines specially blended in California by our wine buying team who work closely with a family owned vineyard.

TASTING NOTE

A youthful wine with aromas of citrus and fresh cut green apples. On the palate, tropical fruit flavours of pineapples, peaches and ripened lemons lead the way to a crisp finish, balanced perfectly by mild acidity.

Best served lightly-chilled as an aperitif, or partner to chicken dishes with light sauces, such as a creamy mushroom and tarragon.
